Taunton Press Inc. Paperback. Book Condition: new. BRAND NEW, Shop Improvements: Outstanding Ideas from the World's Finest Woodworkers, "Fine Woodworking" Magazine, A signature feature of "Fine Woodworking" project articles is detailed exploded drawings. Some of these plans are works of art in themselves and reward careful study with insights into the basis of good design. For the many woodworkers, these plans are worth the price of the book alone. This book collects the workshop accessory and jigs articles that contain exploded drawings from the last 15 years of "Fine Woodworking". It is organized by class of project (tool storage, workbenches, table saw accessories, etc.). The book contains approximately 60-65 projects. Because there is such a wide variety of project types and skill levels needed, it should appeal to a wide range of woodworkers.
