Laurus Books, United States, 2013. Paperback. Book Condition: New. 201 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Walking by faith is not a process for the faint of heart, nor is it temporal or selective. It is an enduring lifestyle. God s playbook for our lives was designed from the beginning of time. It does not guarantee a life without hurts and problems, nor does it guarantee perfect bliss. It does promise us a never-ending love from God. It gives us hope when there seems to be no hope. Our lives become a tapestry made of many colors, sewn together, intertwining lives in ways we could never imagine. Thomas Mitchell and Sandy Goodman were sweethearts since the ninth grade. Like most couples their age, they had hopes, dreams, and career ambitions. Never did they imagine that their relationship and their faith would be shaken to the point that their hopes and dreams could be shattered. Thomas and Sandy are faced with circumstances beyond their control, and their faith in God is put to the test. Thomas and Sandy soon realize that God places people in their path who enable them to find the true meaning of faith. God has a game plan for our lives, and it is up to us to execute the plays in God s playbook. Kimberly Kruse Thompson and Kevin O Neil Kruse, brother and sister, unite to write a compelling story about God s way of using moments of tragedy and uncertainty to apply His unlimited mercy. Follow along as one young couple come to realize and accept just how little control they have over their lives and how beautiful life can be when they let Him take the reins.
