INDIRA GANDHI: TRYST WITH POWER

Penguin Books India Pvt Ltd. Paperback. Book Condition: new. BRAND NEW, Indira Gandhi: Tryst with Power, Nayantara Sahgal, Indira Gandhi made unorthodox use of power and possessed a highly individual style of functioning. In this book, Nayantara Sahgal persuasively argues that authoritarianism was the inevitable outcome of Indiras personality and temperament. Her leadership marked a drastic break with the democratic tradition of her family and Indian politics. During her regime, the political landscape of India underwent profound changes. The Emergency of 1975 - 77 was used to promote her son Sanjay as her ultimate successor. The entry of her elder son, Rajiv, into politics after Sanjays death, and his immediate political prominence showcased Indiras essential belief in her familys right to rule. Nayantara Sahgals personal knowledge of her cousin, in combination with her unparalleled access to letters exchanged within the Nehru family, makes for a striking and insightful analysis of Indiras tryst with political power and an unusually penetrating psychological and political portrait from an intimate family viewpoint.
