FINDING YOUR VOICE: HOW TO SPEAK YOUR HEART S TRUE FAITH

Faithlab, United States, 2013. Paperback. Book Condition: New. 213 x 137 mm. Language: English . Brand New Book ***** Print on Demand *****.Answers offered by the most religiously conservative among us frequently sound too narrow. Questions asked by those outside the faith seem broad and unmoored. As thoughtful Christians, we often find it difficult to talk about our faith because at one extreme we re met with simplistic truths and at the other extreme complex wonderings. In Finding Your Voice, Jim Dant offers the thinking Christian a manageable and credible faith language. While respecting the evangelical language of his childhood and those who gave it to him, Jim addresses and offers fresh language regarding the issues of: God, Scripture, Jesus, Salvation, the church, the world, and more. He provides a language for the things we believe but are not quite sure how to say. Jim takes us to his childhood home and introduces us to the language offered him by his faith community. He gives an honest accounting of that faith and, with an extreme dose of humanity and trust, shares with us how that faith has changed. The result is a language that makes sense both in and out of church. Whether you agree or disagree with Jim s conclusions, you are invited into a conversation and perhaps the discovery of your own voice.
