Alphascript Publishing. Taschenbuch. Book Condition: Neu. Neuware - Angus (Aonghas in Gaelic) is one of the 32 local government council areas of Scotland, and a lieutenancy area. The council area borders onto Aberdeenshire, Perth and Kinross and Dundee City. Main industries include agriculture and fishing. Angus was historically a county (known officially as Forfarshire from the eighteenth century until 1928, when it reverted to its ancient name) until 1975 when it became a district of the Tayside Region. In 1996, two-tier local government was abolished and Angus was established as a unitary authority. The former county had borders with Kincardineshire to the north-east, county of Aberdeenshire to the north and Perthshire to the west. Southwards, it faced Fife across the Firth of Tay. The boundaries of the present council area are exactly the same as those of the old county minus the City of Dundee. 84 pp. Englisch.
