Anness Publishing. Board book. Book Condition: new. BRAND NEW, Sparkley Learning: First Words, Caroline Davis, This is a colourful first number book in a chunky boardbook format with sparkly foil detail throughout. It introduces children to new and familiar words, with fun, lively pictures set in a number of different scenes, including in the garden, on safari, at the seaside, going to town and on the farm. It includes interactive spot-the-picture games on each page to help first readers identify and learn new words. Other titles in the "Sparkly Learning Series" include "First ABC", "First Numbers" and "First Pictures". This delightful early learning book is the perfect way to introduce your child to a number of animal words. Spot the flower in Daisy Duck's garden, a zebra on her safari, see her on a boat at the seaside, on a bus in town, and driving the tractor on the farm. Look at the objects that appear on the left-hand page. Then, encourage your child to find and name them on the right-hand page. In every picture, there are lots of extra objects for your child to look for. Shiny foil makes every page a delight.
