THE ARROW OF GOLD: A STORY BETWEEN TWO NOTES

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The pages which follow have been extracted from a pile of manuscript which was apparently meant for the eye of one woman only. She seems to have been the writer s childhood s friend. They had parted as children, or very little more than children. Years passed. Then something recalled to the woman the companion of her young days and she wrote to him: I have been hearing of you lately. I know where life has brought you. You certainly selected your own road. But to us, left behind, it always looked as if you had struck out into a pathless desert. We always regarded you as a person that must be given up for lost. But you have turned up again; and though we may never see each other, my memory welcomes you and I confess to you I should like to know the incidents on the road which has led you to where you are now.
