Your children are grown-up and busy. You have no more responsibilities, and time in your hands to at last do all you have wanted to and never did. Starting with a new home in Spain, this second part of Ana Lydia s memoirs is a continuation of the activities that have become her lifestyle. Travelling all over the world, this is a sentimental journey to all the countries she had lived before and all the changes she found there. From Brazil and a fascinating story of Macumba (black magic), to stories of the strength and courage to keep going in spite of big drawbacks.
