Reviews

This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Poisoned Pen Press, United States, 2012. Paperback. Book Condition: New. Revised ed.. 216 x 140 mm. Language: English . Brand New Book. Praise for One for Sorrow. An enticing picture of sixth-century Byzantium and the traffic in holy artifacts [in] the early history of Christianity. -Publishers Weekly In Byzantium, the capital of the 6th century Roman Empire, annual games are held to celebrate the founding of the city. Several courtiers, obliged by office to attend, idly watch the chariot races and the bear baiting from the imperial box. Suddenly they--and the crowd--are electrified as a magnificent bull surges into the arena. Those who worship Mithra make quiet reverence to the sacred animal while a trio of bull leapers enters in his wake. John, Lord Chamberlain to the Christian Emperor, is among those surprised into breathing tribute. He soon receives a further shock: surely the lovely young girl vaulting the beast had once been his lover. Later, making his way home through the thronged streets, John stumbles over the body of his friend Leukos, Keeper of the Plate. There are plenty of witnesses: an Egyptian brothel keeper, a young mason working on the Church of the Holy Wisdom, a mad stylite, a henpecked innkeeper, and the bull leapers from Crete. Now duty and guilt demand that John discover the murderer. The husband and wife team of Mary Reed and Eric Mayer published One for Sorrow, their first full-length novel featuring John, Lord Chamberlain to Emperor Justinian, in 1999. The series has since received much praise and several awards, including the Arizona Book Award, the IPPY Best Mystery Award, and the Bruce Alexander History Mystery Award. /~maywrite.
