## PEER REVIEW IN NURSING: PRINCIPLES FOR SUCCESSFUL PRACTICE

[DOWNLOAD](#)

Jones and Bartlett Publishers, Inc, United States, 2010. Paperback. Book Condition: New. 224 x 152 mm. Language: English . Brand New Book. Peer Review in Nursing: Principles for a Successful Practice is the first nursing publication that approaches the definition and implementation strategies for peer review within an organizational setting. Using a professional model, with shared governance as a framework, the authors discuss the difference between manager initiated staff performance evaluation of the past and the true peer review aspects of professional practice for the future. This text follows in line with the Magnet program requirement that nurses at all levels use self appraisal performance review and peer review, including annual goal settings, for the assurance of competence and professional development page 30 of the 2008 Magnet manual. This unique text teaches nurses the skills they need to demonstrate organizational processes, structures, and outcomes that help insure accountability, competence and autonomy.
