Lulu Publishing Services, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Weaving pieces of history into interesting fictionalized vignettes, the author explores the secret and hidden facets of America s present and past. This collection of eighteen stories contains an eclectic mix of what ifs, of little-known history, and of tribalism. King Nicholas has assembled floating near-present scenarios, as in the revelatory Life of Benjamin Ficklin X and in the imaginative dystopia, The Welsh Opera. He has included stories of urban fantasy such as the nostalgic Vogelsong and in a sojourn to the past that might have been in Powhatan Paramountcy. The founding fathers are also represented in imaginative tales such as in Madison s Manifesto and the investigation of who is amongst us, Puppet Jefferson. A work of historical fiction that blends suspense, wry humor, and airships, 2 Psalms offers a collection of short stories that focus on the founding of the United States and presents one version of revisionist history.
