HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, The Dream of Rome, Boris Johnson, Focussing on how the Romans made Europe work as a homogenous civilisation and looking at why we are failing to make the EU work in modern times, this is an authoritative and amusing study from bestselling author Boris Johnson. In addition to his roles as politician, editor, author and television presenter, Boris Johnson is a passionate Roman scholar. The recent 'Dream of Rome' TV series saw him travelling throughout the Roman Empire in order to uncover the secrets of the governance of the empire, and the reasons behind why the Romans held such power and prestige for so long. Fiercely interested in Europe and the current issues facing the European Union, Boris Johnson will look at the lessons we could learn from the Romans and how we could apply them to our modern politics. Boris Johnson was the editor of the Spectator, MP for Henley and is now the new Shadow Minister for Education. He writes a column for the Daily Telegraph and lives in London and Oxfordshire with his wife and their children.
