Reviews

An exceptional publication as well as the font employed was exciting to see. it was actually writtern extremely flawlessly and helpful. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Salt Publishing, United Kingdom, 2009. Paperback. Book Condition: New. 196 x 128 mm. Language: English . Brand New Book ***** Print on Demand *****.Aromabingo builds on the critical success of David Gaffney's 2006 collection *Sawn-off Tales*, offering yet more of Gaffney's weird and edgy ultra-shorts, plus several longer works, so you can spend even more time inside the baffling, hilarious and sometimes moving world of a David Gaffney story. Think Magnus Mills mashed with the League of Gentlemen with a jolt of Mark E. Smithery for grit, and you're nearly there. Though many of his stories are shorter than a Napalm Death snarl, these precision-engineered slivers of fiction leave you with the dying chords of a symphony. They are about the small people, the tiny Tardis folk with cathedrals inside them, creeping by unnoticed. These tales will have you laughing like at a Tommy Cooper video though there's something hideous gnawing at the door to get in. Be careful, a spoonful weighs a ton.
