This book has been created to develop the skills listed in the Common Core Standards. The book focuses on language skills, but will also develop complementary reading and writing skills. The student will focus on a key language skill by completing sets of focused exercises that increase from easy, to moderate, and then to advanced. This leveled and focused approach will introduce students at a comfortable level and then build on the skills so that students reach and then exceed grade level expectations. Covers 10 Common Core Skills - produces a thorough understanding of compound words - develops word analysis and decoding skills - introduces common prefixes and suffixes - provides practice using pronouns and adverbs - increases vocabulary and develops knowledge of word meanings - creates an understanding of words with multiple meanings - teaches students to use context to determine word meaning - develops skills in identifying and using synonyms and antonyms - helps students understand literal and nonliteral meanings of words - enhances reading comprehension skills

Key Features - 101 exercises focused on compound words - 10 complete sets of exercises organized into easy, moderate, and advanced - vocabulary, reading level, and difficulty increase through the sets - each set includes a variety of tasks that allow students to develop and then apply new skills - includes a complete answer key

Aligns to the Common Core Standards The Common Core Standards are a set of standards adopted by most American states. The standards describe what students are expected to be able to do. Student learning is based on these standards throughout the year, and students in most states are tested based on these standards at the end of...
