## THE ODES OF HORACE

Johns Hopkins. 1 Paperback(s), 2008. soft. Book Condition: New. This new translation of Horace by a specialist in classical Roman poetry renders The Odes in modern, metrical English verse rather than the more common free verse found in many other translations. Jeffrey Kaimowitz adapts Horace's rich and metrically varied poetry to English formal verse in a way that remains faithful to the tone, timbre, and style of the originals while conforming to the rules of English prosody. Each poem is true to the sense and aesthetic pleasure of the Latin and the dignity, concision, and movement characteristic of Horace's writing, with annotations providing the context for understanding and enjoying it. "Kaimowitz captures the speed and cadence of Horace's often quite long phrases and sentences, keeping their elegance and grandeur no easy task. This volume provides an excellent way for nonLatin reading scholars, students, and general readers to experience successfully Horace as a lyric poet." Ronnie Ancona 173.
