Someone Else's Garden

By Dipika Rai

HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, Someone Else's Garden, Dipika Rai, A big, intensely involving and evocative Indian novel, perfect for fans of Vikas Swarup's Slumdog Millionaire, with its emotive and, ultimately, redemptive story. 'Will she recall that night? Or is it one of those too horrible times that her brain, taking pity on her soul, will choose to wipe out the memory? When she realizes what happened, she will recall it as the night she did her duty for her family, with no sense of shame or lingering fear. She will be matter-of-fact about it, resigned and, therefore, resilient.' Mamta, born low-caste and female in rural India against a backdrop of poverty and prejudice, is destined to be some man's property. Her father says that bringing her up is only 'tending someone else's garden' until a husband is found for her. Eventually saved from becoming one of the nameless and faceless millions of rejected humanity, Mamt survives but at a terrible cost. Lyrically told, this powerful story of a woman's struggle to find acceptance compels us to question: Is life random? Or do we have a destiny?.

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

This publication is great. It is full of wisdom and knowledge. You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).
