MICHAEL REISIG S GREAT LITTLE BATHROOM AND BEDTIME BOOK

Clear Creek Press, United States, 2012. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Dear Potential Customer: If you re looking for War and Peace reading material, you re in the wrong place. But if you d like to take a series of brief journeys (somewhere between cerebral and introspective, interspaced with witty and laugh out loud), then this is the book for you. It s a great bathroom book, ideal for repose in that environment, but it also works well at the beach, while traveling, just before bed, on lazy Sunday afternoons, and it s small enough to be easily hidden in your office desk - so you can knock down a story when the boss isn t looking. I can promise you two things in the process of reading this: you will find a chuckle or two that will burble up out of you uncontrollably and your day will be a little lighter because of it, and you will find a piece of yourself in the essays, whether it be a longing or a recollection of other times, people, and places, a recognition of qualities within you, or the unearthing of a few words strung together that simply ring so true they strike your very core. And when it s all said and done, you may discover a touch of the elements we find so valuable - faith, love, passion, or truth, embedded in you through the shear magic of literary osmosis.
